PostBase® Mini

Compact Design, Powerful Performance

Give your small business a boost with FP Mailing Solution's PostBase® Mini. The PostBase® Mini offers a professional business image along with metered mail discounts. Our compact postage meter is easy for anyone in the office to use, featuring an icon-driven menu and Rate Wizard for selecting postal products, enabling you to navigate your mailroom like a smartphone. With a sleek and modern design, the PostBase® Mini is both economical and efficient.

Canada Post Approved Postage Meter

The PostBase® Mini is a fully digital, Intelligent Mail Indicia (IMI)-compliant postage meter designed to fully meet all Canada Post standards and requirements. Equipped with the most up-to-date IMI technology, the PostBase® Mini includes a full set of Canada Post postal rates and automatic downloads to ensure you always have accurate postal rates without any hassle.

Convenient & Professional

- Postage available 24/7
- Metered mail discounts
- Full set of Canada Post rates
- Intuitive touchscreen operation
- Long lasting, high capacity ink cartridges
- Professional business mail image

MoCA Software Parcel System Software Solution

Paired with the PostBase® Mini, MoCA is the perfect companion to send packages. This cloud based FP System will process and pay for parcels, with Real Time rates, using a Teleset (PAD) account. This user-friendly software provides all Canada Post available parcel services.

MoCa software prints Canada Post barcodes enabling the user to track and trace their parcel shipments. Additionally, users can print shipping destination and shipping origin addresses with the barcodes. MoCA software offers cost control capabilities to keep shipping costs in check. It also offers in-depth usage data report analysis.

FP MoCA also offers:

- Access to all Canada Post parcel services
- Track & Trace with Canada Post barcodes
- Cost control capabilities
- In-depth usage data report analysis
- Prints 4" x 6" self adhesive shipping labels with MoCA printer
- Easily linked to your mailing machine account
